DETAILED ACTION

Election/Restrictions

Claims 19 and 20 were withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected Species 5, in the previous office action. Claims 22 and 23 depend from claim 19 and are likewise withdrawn.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 27 and 30 are rejected under 35 U.S.C. 102(b) as being anticipated by Park, U.S. 3,220,481.

Park discloses a object stopping sleeve assembly (35) above a flapper valve (44), dropping a ball (60) and slowing the rate of decent with the seat (61, or barrier) of the sleeve above the closed flapper valve.

Allowable Subject Matter

Claims 1, 2, 7-9 and 24-26 allowed.

Claims 28, 29 and 31 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not disclose or suggest all the claimed subject matter including a selectively moveable object stopping assembly.

Response to Arguments

Applicant's arguments with respect to the claims and prior art have been fully considered. The arguments are persuasive and moot in view of the new ground(s) of rejection.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any

extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
